

TECHNICAL SPECIFICATION FOR:

20KW ELECTRICAL BOILER

OVERVIEW

- ✔ Ideal for underfloor heating
- ✔ Wide temperature range
- ✔ Mounted on trolley for portability

DESCRIPTION

Celsius Hire 20KW ELECTRIC BOILER is a fully portable unit, ideal for drying concrete flooring, testing underfloor heating and providing central heating and domestic hot water. The digital controller and wide temperature range allows it to be programmed to suit the application.

The unit also comes complete with an internal pump, expansion tank, associated safety cut outs, all whilst being mounted on a trolley for portability.
