

TECHNICAL SPECIFICATION FOR: 3000L BUFFER TANK

OVERVIEW

- ✔ Compact tank contained within lifting frame
- ✔ Up to 4 no. tank connections
- ✔ Suitable for low temperature glycol applications

DESCRIPTION

Celsius Hire's 3000L Buffer Tank is an ancillary selected to complement the hire fleet and assist in providing more complete plant room rental solutions. These can be included as part of a hired package or even hired in separately if required.

Buffer tanks are selected where high water volume is required, due to peak or variable load demand.

This buffer tank is an open vented/atmospheric vessel enabling quick and easy installation, filling and venting.
